

AUTHORIZATION FOR ELECTRONIC CHILD SUPPORT PAYMENTS

Clients, who presently use CertiPay to create child support payment checks, may authorize CertiPay America to submit these payments electronically or may enroll in the state program to directly submit these payments themselves.

Clients wishing CertiPay America to electronically submit child support payments on the client's behalf should complete the authorization and return to Certipay America.

Clients not wishing to use this service should indicate in the Do Not Submit box below.

- Authorize CertiPay America to submit Electronic Child Support Payments. Exceptions states are South Carolina, Puerto Rico and US Virgin Islands
- Do not submit

To initiate debit entries to the bank made by the ExpertPay child support payment system, please provide the account detail listed below.
